Enable E-mail Message Notifications for a ... - Cisco

Cisco Unity Express - Voicemail Operator Number. Dumb question, just picked up a CUE AA task, never really used it in anger - so apologies for the basic question.... CUE is set up with AA, all seems well, except the voicemail operator number is all configured (and I can dial this number from my phone ok), but when you go through the AA greeting, "press 0 to dial the operator", I get "the phone number you are trying to reach is currently out of service".

Cisco Unity Express - Voicemail Operato... - Cisco Community

Our organization is using a 2811 router with Call Manger Express (CME 7.1) and Unity Express (2.3). The time stamp on the messages left in our voice mail is off by 2 hours. The system time on the router is correct and set to the correct time zone. NTP seems to be functioning.

Solved: Voicemail timestamp is wrong - Cisco Community
