International Handbook On Diversity Management

- Bernardo M. Ferdman, Alliant International University, US and Editor, Diversity at Work: The Practice of Inclusion By covering the diversity practices in 14 different countries this Handbook makes evident the need to consider diversity management from a global and local standpoint. What is legal and standard practice towards equality in one country can be viewed as discriminative and unlawful just across the border.

Research Handbooks in Business and Management Ser ...

Diversity, diversity management (DM), and intersectionality are clearly interconnected: they intersect. The question is how. This chapter overviews these concepts and related researches, and seeks to contribute to understandings of interdisciplinary, relational, and intersectional approaches to diversity in organizations.
