Dose any one no what type of manual transmission fluid to put in a 2000 tj. 4.0 in the owners manual it says 75w-90 for the 2.5L but the 4.0 says you can only use mopar manual tranny fluid. what would be the equevalent you could buy at the average parts store?

Manual transmission fluid ? | Jeep Wrangler Forum

(Jeep rotated the trans mounting but didn't change the location of the weep hole plug, and created a procedure like the NAG1, using the same special tool, to set the trans fluid level. Which everyone screwed up, so Jeep sent out a bulletin, advising to do the Hyundai procedure with the weep hole, close up the weep hole plug, then add 3/4 of a quart of fluid and you'll be at the correct level.)

Transmission fluid change | Jeep Garage - Jeep Forum

As a part of good routine maintenance, it is highly recommended that you service your NSG 370 manual transmission once every 30,000 miles. Changing your Jeep JK Wrangler's transmission fluid will give you an opportunity to inspect the magnetic drain bolt for any signs of abnormal wear going on inside (i.e. large chunks of metal attached to it) and new fluid will help keep things operating ...
