China, Nepal announce revised Everest height | News | DW ...

807 climbers summited Mount Everest in 2019, including 563 on the Nepal side and 240 from the Chinese Tibet side. This broke the previous record for total summits in year from which was 667 in 2013, and one factor that aided in this was an especially long and clear weather window of 11 days during the critical spring climbing season.
