# Read PDF Psychonarratology Foundations For The Empirical Study Of Literary Response

The works of the renowned Northern Nigerian writer, Abubakar Gimba, have attracted significant attention from literary critics, especially in terms of their thematic preoccupation. One aspect that has received the least consideration, however, is their mode of characterisation. This might have arisen because the critics think, "he is a novelist who is concerned with themes rather than with ...

We welcome this opportunity to reply to Nilli Diengott's review of our book, *Psychonarratology: Foundations for the Empirical Study of Literary Response*. While she has identified a number of regrettable misstatements in the book and has raised a number of interesting arguments concerning our hypotheses about readers' representations, it also appears that there are a number of aspects of our methodology and conceptual analysis that may not have
