### Secret Of The Ages

The Secret of the Ages incorporates spirituality (the Bible), and helps us to understand that in Christianity at least, we were taught the "secret" by Jesus Himself. In other words, it corroborates the whole concept of the Law of Attraction relative to God and the incredible power that we, as part of His Creation, were given if, we could grasp the true meaning of faith.

The Secret of the Ages sold over 300,000 copies during his life. I was fortunate to acquire a first edition of this book, published in seven slim volumes in 1926, and the section breakdown and pagination of this etext reflects this. However, the page numbering across the volumes is continuous, so this is essentially the equivalent of a 600 page book (although the pages are small, so a normal sized equivalent might have about 400 pages).
