Truth In The Making Creative

In Truth in the Making, Robert Miner challenges the standard assumption that Kant was the first thinker to conceive of knowing as constructive activity, and shows how contemporary theology can reclaim a concept of knowing that is both creative and participant in divine wisdom.

Truth in the Making: Creative Knowledge in Theology and ...

The construction of human knowing produces truth at once different from, yet hinting at, what God knows: "There are truths which the mind does not construct, but there is no mode of access to these truths that bypasses human making" (108; this resembles the position of Cusanus but attributes creativity most strongly to scientific understanding rather than to skilful art).
