Unmistakable Impact A Partnership Approach

The impact of our projects on the end users and community is unmistakable. And when these projects are complete, our partners and supporters walk away with a much broader perspective of the change that's possible through real estate. At GCHP, we see big problems as opportunities for big change. And we're improving lives, one project at a time.

Online harassment, trolling campaigns and intimidation have polluted parts of the internet and pose very real off-line threats, with a disproportionate impact on women. In the most deadly case, social media posts targeted the Rohingya community in Myanmar in the run-up to the mass killings and rapes in 2017.

Jeans are a type of pants or trousers, typically made from denim or dungaree cloth. Often the term "jeans" refers to a particular style of trousers, called "blue jeans", which were invented by Jacob W. Davis in partnership with Levi Strauss & Co. in 1871 and patented by Jacob W. Davis and Levi Strauss on May 20, 1873. Prior to the Levi Strauss patented trousers, the term "blue jeans" had

I was impressed with the Classera System. The interface is a significant improvement over our current system. One of my favorite features is that from the main screen students can see new material that has been posted for any of their classes. This “dashboard” approach is unique and makes the system easy to use.
